

A Centennial Celebration

If you have been with us for worship or Bible class at some point over the past several months, you have likely heard that 2018 is the 100th anniversary of the organization of the Leachville church of Christ. What an amazing feat this is! There are very few churches in our country, particularly in rural areas like ours, that have worshipped and served in their communities for 100 years. This is truly something worth celebrating!

One of the things that we are doing to commemorate our centennial is recognizing various ministries that have been and are a foundation to this church family. In the month of February, we considered our education ministry. We sought to strengthen it by participating in the Teaching Rocket Workshop. In March, we honored and prayed for our mission work in Haiti and in Panama. We were blessed with an update on Haiti on a Sunday morning. This month we are remembering and praying for our prison ministry. Other ministries we will remember throughout the year include community involvement, VBS, NEA Food Bank and After School Special. All of this will culminate in October with a big homecoming celebration.

The Centennial Homecoming will be October 5-7. We've invited previous ministers to be a part in this great celebration as we consider the legacies that have been left and the legacies that we will leave. Below you will find a tentative schedule of those events. It's my hope that you will mark this weekend on your calendar, plan to be there and invite all former members that you know to join us!
