

Feeling Lost?

A large portion of people have some form of mental illness. Typically, we just don't think too much of it, but here recently it has almost been viewed as a lack of faith by some. Anxiety, stress disorder, depression, and the like have nothing to do with our faith. In fact, if we look in the Bible, a lot of our "heroes" had some form of anxiety. For instance, Elijah was suicidal at one point, but we don't think of him as a person lacking in faith. We know him better as one of the men whose faith in the Lord was so great that he never had to die.

What all this boils down to is this: people have their struggles, and as the church we should be there to guide them and to point them in the way that they should go. Help each other, love each other, and walk with each other to ensure that we are all traveling that straight and narrow road.

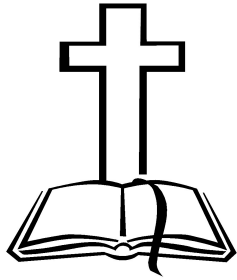

1 Kings 19:4-5, But he himself went a day's journey into the wilderness, and came and sat down under a juniper tree; and he requested for himself that he might die, and said, "It is enough; now, O Lord, take my life, for I am not better than my fathers." ⁵ He lay down and slept under a juniper tree; and behold, there was an angel touching him, and he said to him, "Arise, eat."

p.s. Thank you all so much for the baby shower gifts. We greatly appreciate them and you all so much.
