

Shouldn't You Know?

One of the most disappointing things to me is when a Christian isn't sure if they are going to Heaven or not. How can someone who dedicated their life to God feel as if they will not be accepted by Him in the end? It really makes life insecure; it makes death scary; it makes God out to be indecisive.

I guess what it all boils down to is this: does the Bible tell us whether or not we can know about our eternal destination? Because if it does, that changes everything. It makes life secure, it makes death less scary, and it reveals our God to be the author and creator of our faith and salvation. If the Bible confirms our salvation, and it tells us that we can know we have a home in heaven, then it makes all of our struggles, hardships, and pain, all worth it.

1 John 5:13, These things I have written to you who believe in the name of the Son of God, so that you may know that you have eternal life.

We can know. Place your faith in Christ today.
