

## Vacation Bible School

What is your earliest memory of going to vacation Bible school? It might be a particular Bible story and the way the teacher presented it. It might be the first time you taught a class, or the first time you were in a puppet program, or even some special craft project. It might be all the new people who come to VBS who do not normally attend. Whatever you remember, it is good to remember.

During VBS the teachers seem to put much more time in preparing their lessons. It seems that people are really excited to be here, and students are eager to be with their friends that they have missed because school is out.

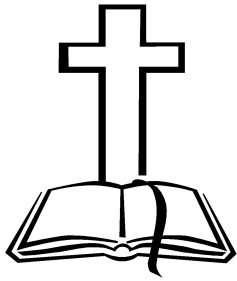

Over the years, I have had the opportunity to go to VBS at different congregations. I can remember going to VBS in the mornings for five days. I have attended VBS in the evenings. I have even known of VBS to be on Saturday. Whatever time of day or whatever day of the week, the participants seem to have fun. What is important is that Jesus is taught to children. Hopefully, a flame of faith will be lit that will grow as the students grow.

Plan to come to our VBS this week and help us make some more good memories.
