

Can We Make Faith?

This week we had VBS over the Miracles of Jesus. I loved teaching and studying for this to rediscover the purpose of the miracles that were performed. Jesus used His miraculous powers to help people who were in need. This is easily applicable to us. We can help people who are in need just as Jesus did, only without the miraculous gifts.

The miracles were also used in order to prove that Jesus was the Christ. This was needed in a heavily Jewish and Roman religious area. However, things for us are a lot different. We do need to prove to people that Jesus is the Christ, but you and I do not have the miraculous powers that Jesus and the disciples had. So, how do you and I prove that Jesus is the Christ?

The answer? We don't. You and I can study with someone, we can teach, we can preach, but faith in the Christ is solely dependent on the person who is hearing. Thinking about it, things aren't so different. We may not have the same powers, but the situation is the same. Not everyone who witness Jesus' miracles believed so not everyone who hears of the Christ will believe. That's not what is important, what's important is that you did your part in spreading the gospel. We plant and water while God gives the increase.

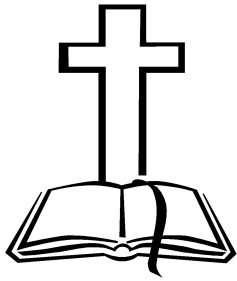

Don't lose heart; trust in God.

p.s. Thank you to everyone who could come and help with VBS we are blessed to work with such ready and willing people of the Lord!!!
