

New Every Morning

Most of my career I have driven a bus. One advantage of driving a bus is that you get to see many dawns. There are some beautiful dawns this time of the year. Sometimes you see a beautiful dawn, and you think that is the best one I have seen. Then the next morning there is one that may be even better.

In Lamentations 3, we read that Judah is in trouble. They have rebelled against God. They are a conquered country. The invading army is destroying everything. The people are being oppressed. They are hungry and needy. Their future is unsure.

You might think, what does that have to do with amazing beautiful dawns? Verses 19-24: "I remember my affliction and my wandering, the bitterness and the gall. I well remember them and my soul is downcast within me. Yet this I call to mind and therefore I have hope: Because of the Lord's great love we are not consumed, for His compassions never fail. They are new every morning; great is your faithfulness. I say to myself, the Lord is my portion; therefore I will wait for Him."

Even when things are really bad, God's love is new every morning. God's compassions for His people are like the dawns. Every one is new and seems to surpass the previous beautiful morning. God is faithful, and His love is faithful.

Just as we are amazed by the beauty of the dawn, just as the dawn reminds us of the creative power of God, we should be reminded that His love never gets old and never wears out. It is new and fresh every single morning.
