

## Jesus Was Too

People have a hard time relating to the Son of God. Sometimes even we Christians have a hard time with that. However, Jesus is the most relatable person that has ever existed, and it's because of that fact that we can have the relationship with God that we have today. With mental health issues on the rise, people wonder if Jesus actually cares about them or if Jesus even understands what they are going through.

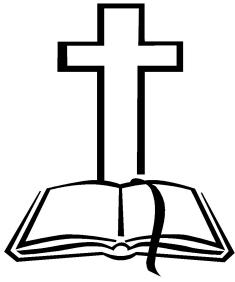

Lucky for us, the Bible has the answer to that. The Bible states several times in the book of Hebrews that Jesus was tempted and tried just as we were. We also see several human moments in the ministry of Jesus. He was annoyed, He was full of sorrow, and He knew what it was like to be rejected by His peers. Jesus knows all about our struggles; how? Because He went through them Himself in order to show us that if He can overcome those struggles, so can we through Him.

*Hebrews 2:18, For since He Himself was tempted in that which He has suffered, He is able to come to the aid of those who are tempted.*
