

## Some Glad Morning

When I was a kid, my mother used to sing the song "I'll Fly Away." I never understood the meaning of the song until I became an adult, and what a meaning it was. The whole idea of death scares people, but in all honesty it shouldn't. We have been given the opportunity of a lifetime when it comes to the end of our lives. We have the chance, every day, to be placed into Jesus Christ and inherit a home in Heaven that can never be taken away or destroyed. It is ours forever.

Jesus left this earth to go and prepare a place for us. That's good news! By that we know that we have a mansion waiting for us, with our name on it, in Heaven. The day we depart this life, it will be some glad morning; we will see our Savior face to face and we will never feel any kind of pain again. Some glad morning!

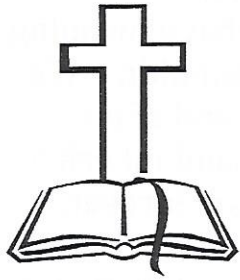

Are we ready to fly away? Life is unpredictable. You never know when you will leave this world, and you never know when Jesus will return. Are we ready to fly away some glad morning?

*John 14:2-4, In My Father's house are many dwelling places; if it were not so, I would have told you; for I go to prepare a place for you. <sup>3</sup> If I go and prepare a place for you, I will come again and receive you to Myself, that where I am, there you may be also. <sup>4</sup> And you know the way where I am going."*
